### ADEX Medical Staffing, LLC AWARDED CERTIFICATION FROM THE JOINT COMMISSION

Alpharetta, Georgia, Dec. 7, 2009 – ADEX Medical Staffing, LLC has achieved the Gold Seal of Approval™ for health care staffing services from The Joint Commission. ADEX Medical Staffing, LLC is headquartered in Alpharetta, Georgia with branch locations in Huntersville, NC, Los Angeles, CA, and an International Division in New York, NY. ADEX Medical Staffing, LLC was founded by Gary McGuire and Peter Leibowitz in 2004 focusing on Travel Nursing, Long-term International Nurses, and Allied Professionals.

ADEX Medical Staffing, LLC, underwent an on-site review of its compliance with national standards addressing how staffing firms determine the qualifications and competency of their staff, how they place their staff, and how they monitor staff's performance.

“Health care organizations that contract with ADEX Medical Staffing, LLC can look to this certification as an assurance that ADEX Medical Staffing, LLC demonstrates a commitment to providing and continuously improving quality services,” says Michele Sacco, M.S., executive director, Health Care Staffing Services Certification, Joint Commission.

The ongoing shortages of nurses, physical therapists, and other health care professionals have forced health care organizations to increasingly fill positions with temporary workers through contractual arrangements with staffing firms. The Joint Commission's certification program, launched in October 2004, offers an independent, comprehensive evaluation of a staffing firm's abilities to provide competent staffing services.

“Certification recognizes ADEX Medical Staffing's dedication to providing nurses, radiology technicians, and other allied health professionals that are qualified to provide safe, high-quality care to patients,” says Jim Shoemaker, Director of Clinical Services. “We're proud to receive the Joint Commission's Gold Seal of Approval™.”
